A must see! The Monterey Bay Aquarium is a world-renowned tourist attraction with spectacular exhibits of local ecosystems. Monterey Bay Aquarium boasts the largest tank enclosed by a single fused piece of Plexiglas in the world: the Outer Bay exhibit. We will be having a post-dinner reception at the Monterey Bay Aquarium in the Outer Bay exhibit during the Symposium. Monterey Bay Aquarium is located near Cannery Row in downtown Monterey. Check the web site below for directions, hours of operation and cost.
